

2-DAY ANIMAL COMMUNICATION WORKSHOP

SACRED ACRES NEAR DELTONA, FL

Saturday and Sunday, March 23rd & 24th, from 10am to 4pm

Only \$497 if paid by Jan 15th (use coupon code: **EB100**) and \$597 thereafter

VEGAN LUNCH INCLUDED!

Day 1 - Beginning Animal Communication

Students learn how animal communication actually works! Joan will review how animals communicate with each other and teach the simple skill of telepathy: the transference of pictures, words and feelings. The first exercise is a fun telepathic game. From there, students move on to communicating with the first animal in person. After lunch, students will learn how to communicate with animals remotely.

Day 2 - Advanced Animal Communication

Starting with a Q&A and feedback about the amazing work they have done so far, students will communicate with another animal as a group. After lunch, students will pair up and communicate with each other's animals remotely. The last exercise is dedicated to behavioral issues and health challenges. Students will not only go home with a great skill, but knowledge to assist them in their own household.
